## DUCK EGGS

The children enjoyed watching the duck eggs hatch. They have also had a chance to stroke them and watch them learn to swim!

## Building work

We are very sorry for having to close the school on the 13<sup>th</sup> May. Please accept our apologies for the short notice.

## SUMMER AT COMET

Now the weather is getting warmer and summer is here (almost) please make sure you put sun cream on your child before they come to nursery. Children should also have appropriate shoes and clothes for the weather too. We would suggest not to have sandals with toes exposed and try to keep shoulders covered from the sun.

## CHILDREN'S LEARNING

The children have been learning about the lifecycle of our ducks and have been amazed at how quickly they have grown. What a great experience to watch them hatch!

Recently the children have enjoyed 'camping' outside and climbing our small trees. Some of the children have mastered the monkey rings, while others have learnt to pedal the tricycles.

## TIME KEEPING

PLEASE be on time for the beginning of your child session. Good timekeeping is a really important life skill.

The door is open from:  
Moon Room - 8 - 8.40am &  
12.30 - 12.40pm  
Sun & Star - 9 - 9.10am &  
12.45 - 12.55pm

## BOOK BORROWING

- Children's book bags get
- changed every Wednesday.
- Please share the book with you child over the following week. This is a great way to
- enjoy the story together and
- look at the illustrations.
