

# Comet News

May 2026

## DUCKLINGS

The children have been patiently waiting for the duck eggs to hatch! They have all hatched, its very exciting. The children have been learning about the life cycle of the ducks, we have been singing songs and listening to stories about ducks too.

If you walk along the canal have a look out for some ducks, maybe take some dry oats along so you can feed them!

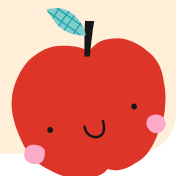

Follow us on our new Instagram account - @cometnurseryschool - for duckling updates!

## Starting Reception

Many of the children will be moving onto Reception in September. We have invited the local schools to come and meet the children at nursery who are transferring to their schools. This really supports children in feeling more confident as well as helping the teachers to start to get to know the children.

To support transiting to Reception please click [here](#)

## SCHOOL UNIFORM

If you would like to buy a Comet t-shirt please see the office.

**DON'T FORGET!**

Don't forget to use our Children's Centres at Comet and Comet@TF. We have lots of stay and play sessions for families and baby sessions. Timetables are on our website, our Instagram @cometchildrencentres or at the school office

## SUN ROOM

During this term Kirsty and Jamie will be working with all the children while Rowan (Deputy Headteacher) and Busra will be overseeing their work.

Samreen will also be working with us this term in Sun Room and we will welcome our new teacher, Sarah, who will be starting with us in September.

**PLEASE BE ON TIME!**

**New staff at Comet**

Emma - Learning Support Assistant in nursery  
Kacey - Lunchtime supervisor  
Sabrina - Lunchtime supervisor in Sky Room

We have noticed that there are a lot of children being dropped off late to their nursery session. Being on time is a great life skill for children and means that they come to school with their friends and start the session together.

Please help your child by bringing them on time for their session!

**Art Workshop**

Wednesday 17<sup>th</sup> June at the beginning of your child's session.

Come along and channel your inner artist with your child. We will be trying our different techniques and using paint to explore colour and texture.

Come for as long as you can and the session lasts about 30 mins.

**Snack donation**

We rely on parents bringing fruit and vegetables to nursery for the children's snack time.

A small weekly donation would be much appreciated.

Please bring back any nursery clothes that you may have at home!

**Leavers Party  
Friday 3<sup>rd</sup> July**

Please note on this day there will be no other session for children unless they are moving to Reception Class.

Moon Room is open as usual.

If you have any questions please see:

Lisa - Headteacher  
Rowan - Deputy Headteacher & SENDCo  
Denise - Business & Community Manager
