

SCCDP Key Intentions for 2021-2022

Work within the revised EYFS to provide a broad curriculum offer and clear assessment procedures that supports individual children's progress.

Lead: Lisa

To further improve children's opportunities to develop their creativity across all curriculum areas.

Lead: Jessica

Review and develop our support for children's physical development in the outdoor area.

Lead: Beatriz

To review current systems and further build a secure understanding around the processes of SEND by embedding robust systems.

Lead: Simran and Lisa

Build the area of self-regulation and executive function into the nursery curriculum.

Lead: Simran and Emily

Development of children's centre services over 2 sites will be strategic and provide a breadth of provision.

Lead: Morgan
