

SCCDP Key Intentions for 2020-2021

Further build compassionate and strategic leadership that provides support and guidance for staff, children and their families within the Covid-19 guidelines.
Lead: Lisa

Review and refine our curriculum offer with particular focus on PSED and PD.

Lead: Kerri and Lisa

To further develop and embed our work in delivering quality provision in science, technology, engineering and maths (STEM).

Lead: Jessica and Beatriz

To further develop the sensory opportunities throughout the nursery as part of an inclusive enquiry based approach.

Lead: Kerri

Review and audit our resources and curriculum offer to provide further diversity particularly in relation to the Black Lives matters agenda.

Lead: Kerri and Lisa

To continue to develop the provision in the Children's Centre, focusing on the universal stay and play offer in response to the Covid-19 guidelines.

Lead: Morgan
